

EISA PRESENTS: READY, STEADY, GROW!

YOU ARE INVITED TO JOIN US AT - READY, STEADY, GROW!

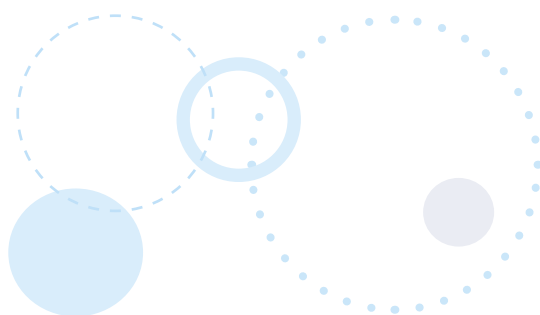

Ready, Steady, Grow! is a programme of regional events organised by the Enterprise Investment Scheme Association (EISA) which aims to bring together all parts of the small business / entrepreneur community for expert opinion, networking and advice. The events give you an opportunity to meet investors, funders, entrepreneurs and business advisers all in one place at one time!

Although **Ready, Steady, Grow!** is focused on the government-backed Enterprise Investment Scheme (EIS) and Seed Enterprise Investment Scheme (SEIS), the events will cover a wide range of alternative funding options. Experts will be on hand to answer questions on, and provide information about, many forms of growth financing that are available to start-ups and small and medium sized enterprises (SMEs).
